

# artisan

maker-style series

tableX

## inspiring creativity

Artisan is all about a 'maker-style' aesthetic with the sizes, heights and added versatility you desire! Table sizes from 24x60, up to 48x96, and three (3) standard heights 29", 36" and 42"h with glides or optional casters! Artisan is available with high-pressure laminate (HPL) or maple Butcher Block tops and also includes a 500 lb. weight capacity rating for heavy-duty applications. For even greater flexibility, specify any size with our 3" Industrial Locking Casters (ILC) option! Artisan tables that are 42" or 48" deep will come standard with a Double Rail (.DR) apron that can act as a foot rest.
