tables

An Exclaim 42" high conference table becomes the focus of any room. Shown with the reverse bevel wood edge, this table is large enough to seat up to twelve people.

71TC48144Q3.A6-W4-SH.42

Exclaim 48x144" rectangular table with six 3" column bases in A-configuration.

W4: reverse bevel wood edge
SH.42: standing height of 42"

lam: Formica 9012-NT Ebony
W4 edge: BV Black Velvet
base: 37 Satin Silver

Exclaim's variety of base configurations work well together within the same space. Here the table desk uses V-configured bases while the rectangular table uses the X-configuration.

71TA4278Q3.V-3P-GR.C

Exclaim 42x78" table desk with 3" column bases in V-configuration.

71TC2072Q2.X-3P
